

How to Post on a VoiceThread

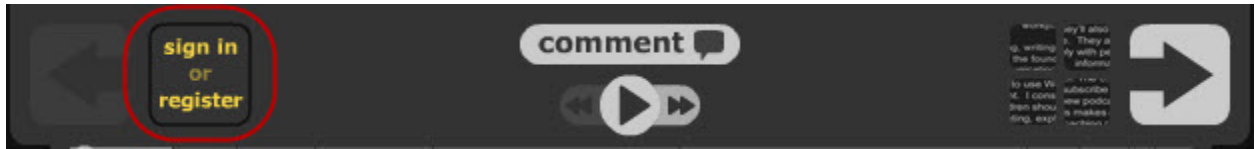

Watching a VoiceThread

- You do not need to be logged in to listen to a VoiceThread.
- The VoiceThread will automatically begin playing when opened. The play arrow will become a pause symbol when the VoiceThread is playing.
- Navigate through the slides with the right and left arrow buttons in the toolbar below the photo.
- The icons around the photo represent individual comments. VoiceThread will play through all the comments sequentially unless you press the pause button.

Leaving a Comment

1. Click the **sign in or register** button in the toolbar below the photo.

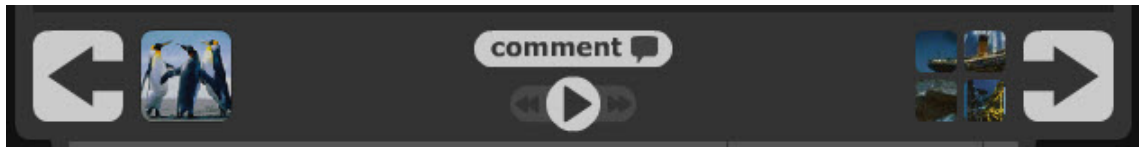

2. If you already have a VoiceThread account, enter your username and password and click **Sign In**.

A dark grey dialog box titled 'Sign in to VoiceThread' with a 'close X' button in the top right corner. It contains two input fields: 'email:' and 'password:'. Below these fields is a large button labeled 'sign in' with a lock icon. At the bottom, there are two lines of text: 'Not registered yet? **Register!**' and 'Did you forget your password? **Reset it.**'

3. If you do not have a VoiceThread account, click **Register**. On the next screen, enter your information and click **Register**.

A dark grey dialog box titled 'Register for VoiceThread' with a 'close X' button in the top right corner. It contains several input fields: 'first name:', 'last name:', 'email:', 'retype email:', 'password:', and 'retype password:'. Below these fields is a large button labeled 'register'. At the bottom, there are two lines of text: 'Registering indicates you accept our **Terms of Use.**' and 'Already have an account? **Sign in.** Educator? **Click here.**'

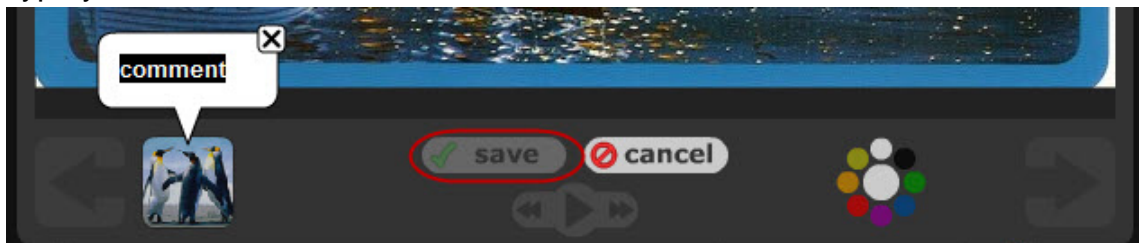

4. An icon will now appear in the toolbar below the photo. Click the **Comment** button in the middle of the toolbar.

5. You will then see your commenting options. For today we will use the **record** or **type** options.

To type a comment: Click on type and a comment box will appear above your icon. Type your comment in the box and click **save**.

To record a comment: Click on record. Make sure your microphone is plugged in. When prompted, click **Allow**. The recording will then begin. When you are done recording, click **stop recording**. Preview your recording and then click **save**.
